MM Docket No. 98-198  
RM - 9304

RECEIVED

NOV - 8 1999

FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

To: Chief, Allocations Branch  
Policy and Rules Division  
Mass Media Bureau

**SECOND SUPPLEMENT TO COUNTERPROPOSAL**

1. WBAP/KSCS Operating, Ltd. and Blue Bonnet Radio, Inc. ("WBAP/BBRI"), by their attorneys, hereby submit this Second Supplement to their counterproposal filed on December 21, 1998 in the above-captioned proceeding.<sup>1</sup> The purpose of this Second Supplement is to update the record with respect to a recent occurrence which has a direct bearing on the resolution of this proceeding.

2. In their Counterproposal, WBAP/BBRI proposed various changes to the FM Table of Allotments including the substitution of Channel 284C1 for Channel 284C at Burkburnett, Texas at a new site for Station KYWI(FM).<sup>2</sup> WBAP/BBRI obtained the consent of the Burkburnett licensee for this downgrade and site change, entered into an agreement with the licensee committing it to construct the changes in exchange for reimbursement, and included the statement of consent

- 
1. WBAP/BBRI previously filed a Supplement to its Counterproposal on December 23, 1998.  
2. See Counterproposal at ¶ 27.

with its filing.<sup>3</sup> In its Counterproposal WBAP/BBRI noted that KYYI has previously filed an application for the identical downgrade and site change which had been granted in a construction permit issued to the licensee but not yet constructed (File No. BPH-980115IC).

3. WBAP/BBRI is filing this Second Supplement to report that KYYI has constructed the Class C1 facility and filed its license application. By Public Notice dated October 22, 1999 (copy attached), the Commission announced it has granted KYYI's license to cover the downgrade and relocation (File No. BLH-19990729KA). Accordingly, no issue remains regarding the changes at Burkburnett.

Respectfully submitted,

WBAP/KSCS OPERATING, LTD.  
BLUE BONNET RADIO, INC.
